#### **GENERAL ALLEGATIONS**

9. On or about May 14, 2007, the Borrower, for valuable consideration, executed, made, delivered and accepted the terms and conditions of a certain Promissory Note made payable to Inland in the principal sum of twenty-eight million eight hundred fifty thousand dollars (\$28,850,000) (the "Promissory Note"). (A true and correct copy of the Promissory Note is attached hereto as Exhibit A.) The terms and provisions of the Promissory Note are incorporated herein by reference as if they were set forth at length herein.

10. As security for all sums advanced on or about May 8, 2007, the Borrower executed and delivered to Inland a certain Open-End Leasehold Mortgage, Security Agreement, Assignment of Rents and Financing Statement (the "Mortgage"), *inter alia*, granting and conveying to Inland a mortgage interest in the Property and a security interest in all of the collateral set forth in the Promissory Note and the Mortgage. (A true and correct copy of the Mortgage is attached hereto as Exhibit B.) The terms and provisions of the Mortgage are incorporated herein by reference as if they were set forth at length herein.

11. The Mortgage was recorded on June 8, 2007, in the Office of the Recorder of Deeds of Philadelphia County, Pennsylvania, as Instrument No. 51898726.

12. Pursuant to the Promissory Note and the Mortgage, Inland and Borrower also executed a Construction Loan Agreement (the "Construction Agreement" and together with the Promissory Note, the Mortgage together with all agreements, documents and instruments executed in connection therewith or in furtherance thereof are collectively referred to herein as the "Loan Documents") that governed the use of the funds Inland loaned to the Borrower. (A true and correct copy of the Construction Agreement is attached hereto as Exhibit C.) The terms and provisions of the Construction Agreement are incorporated herein by reference as if they were set forth at length herein.

13. As additional security for the loan, on or about May 8, 2007, the Guarantors executed and delivered to Inland a certain Loan Guaranty Agreement (the "Guaranty"), pursuant to which, *inter alia*, each Guarantor "joint and severally, irrevocably and unconditionally, fully guarantee to Lender the full and prompt payment when due of all principal, interest, default interest, late charges, fees, premiums and all other sums from time to time outstanding under the Loan Documents..." (A true and correct copy of the Guaranty is attached hereto as Exhibit D.)

The terms and provisions of the Guaranty are incorporated herein by reference as if they were set forth at length herein.

14. The Guaranty provided that the Guarantors guaranteed payment of the Borrower's indebtedness arising under the Loan Documents to Inland in the amount of nine million five hundred twenty thousand five hundred dollars (\$9,520,500.00). Ex. D, ¶ 1.(A).

15. The Guarantors are further jointly and severally liable to Inland for payment "of any actual losses, costs, expenses, liabilities, obligations, and/or damages incurred by [Inland] (including, but not limited to costs of collection and attorneys' fees and disbursements) as a result of the occurrence of any one or more of the following: . . . (viii) Borrower's failure to pay interest due on IMCC obligations when it is due . . ." Ex. D, ¶ 1.(B).

16. On January 30, 2009, Inland, the Borrower and the Guarantors executed a Loan Extension Agreement (the "Extension") which extended the loan obligations to June 30, 2009. (A true and correct copy of the Extension is attached hereto as Exhibit E.) The terms and provisions of the Extension are incorporated herein by reference as if they were set forth at length herein.

17. Under the Extension, the Borrower acknowledged that it was indebted to Inland for a total of \$25,418,119.72. Ex. E, § 2, ¶ (a).

18. Under the Mortgage, the Borrower had to "duly and promptly pay each and every installment of the principal of and interest on the Note, and all other sums hereby secured, as the same become due..." Ex. E, ¶ 1.

damages for failure to pay principal or any installment thereof, taxes, installments of principal, or any other sums required to be paid under the terms of this Mortgage.” Ex. B, ¶ 18.

20. Further, Inland has the right “to institute foreclosure proceedings, whether before or after the whole principal sum secured hereby is declared to be immediately due.” *Id.*, see also Ex. B, ¶ 22.

21. Included in any suit to foreclose the lien, there “shall be allowed and included as additional indebtedness in the decree for sale, to the extent permitted by law, all expenditures and expenses which may be paid or incurred by or on behalf of the [Borrower] for attorneys’ fees and disbursements...” *Id.*.

plus interest accruing at the Default Rate set forth in the Loan Documents, which equals \$5,814.07 per diem.

23. On July 27, 2009, Inland sent the Borrower a default letter and demanded full payment of the loan. (A true and correct copy of the Borrower default letter is attached hereto as Exhibit F.)

24. The Borrower has not repaid the loan.

25. On July 27, 2009, Inland sent the Guarantors default letters stating that the Borrower had failed to repay the loan on the maturity date. Inland demanded that the Guarantors repay the full amount allowed under the Guaranty, \$9,520,500.00, of the amount due and owing

under the Loan Documents. Inland further reserved its right to demand payment of additional losses, costs, expenses, and/or damages pursuant to Paragraph 1(B) of the Guaranty. (A true and correct copy of the Guarantor default letter is attached hereto as Exhibit G.)

WHEREFORE, Plaintiff Inland Mortgage Capital Corporation respectfully requests judgment in its favor and against Defendant Synterra 3020 Market.

**COUNT II - BREACH OF CONTRACT

45. The receiver is also permitted to pay the costs incurred in the management and operation of the Premises, prior and subordinate liens, if any, taxes, assessments, and insurance and may pay all or any part of the indebtedness secured hereby or by any deficiency decree. *Id.*

46. Synterra 3020 Market has breached the Mortgage by, among other things, failing to make timely payments to Inland and is, therefore, in default of the Mortgage.
